Dear Lockwood Valves,

We would like to express our sincere thanks for your support and contributions to our 2008 United Way campaign. Our theme this year was centred on "be a hero". Our goal was to emphasize that many individuals doing small deeds can have a tremendous impact on our local community.

Each year our campaigns set ambitious financial goals and your support not only enabled us to achieve these goals, but we surpassed them and delivered a fun and exciting campaign to our employees. Through your generosity and contribution we were able to raise \$1.2 million for the United Way.

Thank you once again for your tremendous energy and support. Your efforts and actions brought to life the words "be a hero".

Sincerely,

Alex Janavicius
United Way Ontario Chair

Thank you for being a Hero
